Our license renewal with the Australian Broadcasting Authority has been submitted. Pray for God's blessing as our application is processed.

That the Christian community of the Mid West will continue to support Soncity FM

## We Want You!!

A big thank you to all those who have renewed your Soncity FM memberships. It's great to build up that base of supporters who we know take an active interest in this ministry. For those of you who lost the form in the Christmas rush; do not fear, we know it came out at a busy time. Simply return the back of this newsletter and all will be forgiven!

Soncity FM is also in need of committee members to provide us with a representation of the various churches in the Mid West. There are also various volunteer positions at the station open to members who are prepared to make a 12 month commitment to the station. Just contact us for more information.
